The Pennsylvania SBDC Environmental Management Assistance Program ([EMAP](#)) is pleased to provide this free newsletter to small businesses in Pennsylvania.

News

EMAP Wins National Award

The Pennsylvania SBDC's Environmental Management Assistance Program (EMAP) was awarded the Fiscal Year 2015 U.S. EPA Administrator's Award for Outstanding Accomplishments by a Small Business Trade or State Small Business Environmental Assistance Provider. [Learn more.](#)

Lee Ann Briggs Joins EMAP Team

Lee Ann Briggs joined EMAP as an environmental consultant providing one-on-one consulting to help small businesses in Southwestern Pennsylvania understand their environmental regulatory requirements. [CLICK HERE](#) to learn more.

Regulatory Updates

Updates to Rules for Emergency Engines

As of May 4, 2016, back-up engines continuing to operate under emergency demand response will be considered non-emergency engines and must meet the regulatory requirements including numerical emission limits, work practice standards, notifications, and performance testing that may apply.

[CLICK HERE](#) to learn more.

Revised Sulfur Limits for Combustion Units

On July 1, 2016, revised sulfur limits for commercial fuel oils will go into effect statewide replacing existing area-specific sulfur content limits. Any small business retailers or distributors of commercial fuel oil should take note.
